

## Sierra Vista Soccer Club Coach & Manager Registration Fall 17-18

1. All registration is online. The process includes concurring with mandatory AYSA policies and submitting a new annual background check. Approval of the background check is required to coach or manage.
2. You must have the username and password for your existing coach account before you proceed. Every previous coach already has a GotSoccer coach account. Please do not create duplicate accounts. The Registrar has to merge the accounts manually and some of your information may be lost. If you do not know your coach account credentials, follow one of these processes.
  - a. Go to [https://www.gotsport.com/asp/users/login\\_menu.asp?tab=member](https://www.gotsport.com/asp/users/login_menu.asp?tab=member) and follow the hyperlink under “Teams and Team Officials” for either “Coach Account Lookup” or “Manager Account Lookup”.
  - b. If you do not have access to the email address used previously, contact the SVSC registrar at [registrar@svsoccer.net](mailto:registrar@svsoccer.net) to update your email address or have your password reset.
  - c. If you have both a coach and manager account, they are linked and you just need to register once with the coach account. You only need to do one background check.
3. If you have not coached or managed soccer in Arizona, click the “Create Your Account” link to create a new account.
